

## 2009 Off-Leash Dog Area Committee

**Co-Chairs:** Wendy Moylan – Parks and Recreation Commission  
Betsy Mowry – Parks and Recreation Commission

**Staff:** Eric Thompson – Park Security/Safety program manager

### Process:

A request for citizen representation was sent to city-wide district councils on October 8, 2008 and again on November 14, 2008. Application deadline was November 30, 2008.

### Selection:

Co-chairs and staff met on December 1, 2008 to review applicants and select members. The applicants were required to submit information as to why they were interested in the committee and identify what skills they would bring to the committee.

In addition, based on past experience with the 2008 OLDA Task Force, it was agreed that a committee of more than 12 people would be difficult to manage. It was understood that this would exclude some District Councils from representation, but each City Council Ward would be represented.
